

Delta Dental Patient Direct

The discount dental card for
healthier teeth and gums

Delta Dental Patient Direct™

by Washington Dental Service

Washington Dental Service, the state's leading provider of dental plans, brings you. . .

Delta Dental Patient Direct™, a new dental discount program for individuals and families who have no dental insurance.

Since this is **not an insurance plan**, there are no claims to file, no deductibles, frequency limitations or history limitations. For an annual membership fee, you gain access to special rates for dental services when you see one of our Delta Dental Patient Direct dentists. Savings on the most common procedures can range from **10% to 25%.***

- Annual fee of \$89 for individuals or \$124 for the entire family.
- All Washington state residents are eligible, regardless of pre-existing conditions.
- There are no waiting periods – use your membership card as soon as you receive it.
- Access to lower, set fees when seeing a participating dentist.
- Services range from routine oral exams to root canals and porcelain crowns.
